CC: Board of Registrars of Voters

RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma-gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma-gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

Service of the summons shall be made by an officer qualified to serve civil or criminal process, not more than fourteen nor less than two days before the day named for appearance, by delivering in hand a copy of the summons to the person therein named, or by leaving it at his place of residence, or, if personal service cannot be made and the person's residence is unknown to the

Section 49. If a person summoned before the registrars to answer such complaint appears before them, they shall examine him on oath, and shall receive such other evidence which may be offered in regard to the matters set forth in the complaint and, if satisfied that he is properly registered as a qualified voter, they shall enter in the register a statement of their determination of the facts required for registration. If the registrars are satisfied that he is not a qualified voter, they shall strike his name from the register. TO: Subjects of October 17, 2023 Residency Challenges

FROM: Town Clerk Elisabeth Verde

CC: Board of Registrars of Voters

RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma.gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma.gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

PROCESS

Section 48. Upon complaint signed and sworn to by a registered voter and filed with the registrars at least fourteen days in a city, or at least four days in a town, before a primary, election or town meeting, stating that the complainant has reason to believe and does believe that a certain person by him therein named has been illegally or incorrectly registered, and giving the reasons for such belief, the registrars shall examine into such complaint and, if satisfied that there is sufficient ground therefor, they shall summon the person complained of to appear before them at a certain place and time before the next primary or election or town meeting to answer to the matters set forth in the complaint, and the substance of the complaint and a copy of this section and of section forty-nine shall be set forth in the summons. Service of the summons shall be made by an officer qualified to serve civil or criminal process, not more than fourteen nor less than two days before the day named for appearance, by delivering in hand a copy of the summons to the person therein named, or by leaving it at his place of residence, or, if personal service cannot be made and the person's residence is unknown to the

officer and cannot be ascertained by inquiry at the place of alleged illegal or incorrect residence or at any later residence of such person appearing on the register, then at such person's last residence, if any, known to the officer, or, if the person's last residence is unknown, at the last place appearing as his residence in the register. Section 49 EXAMINATION OF PERSONS SUMMONED; STATUS FOR
ANNUAL REGISTER; FAILURE TO APPEAR

Section 49. If a person summoned before the registrars to answer such complaint appears before them, they shall examine him on oath, and shall receive such other evidence which may be offered in regard to the matters set forth in the complaint and, if satisfied that he is properly registered as a qualified voter, they shall enter in the register a statement of their determination of the facts required for registration. If the registrars are satisfied that he is not a qualified voter, they shall strike his name from the register. If they are satisfied that, although he is a qualified voter in the city or town, he is illegally or incorrectly registered in a ward or voting precinct other than the ward or voting precinct in which he is required by section three to be registered, and have determined the ward or voting precinct in which he is so required to be registered, and his place of residence therein, they shall change his place of residence as given on the register accordingly. If a person duly summoned as aforesaid does not appear as directed in the summons and the complainant produces sufficient testimony to make out a prima facie case, the name of such person shall be struck from the register; but if such person appears

before the registrars before the election or town meeting following and shows sufficient cause for his failure earlier to appear, the hearing shall be reopened and the matter decided on its merits, as determined from the evidence presented on both sides. The complainant and the person complained of may be represented by counsel, and all witnesses may be cross-examined.

Town Clerk

TO: Subjects of October 17, 2023 Residency Challenges

FROM: Town Clerk Elisabeth Verde

CC: Board of Registrars of Voters

RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma.gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma.gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

PROCESS

Section 48. Upon complaint signed and sworn to by a registered voter and filed with the registrars at least fourteen days in a city, or at least four days in a town, before a primary, election or town meeting, stating that the complainant has reason to believe and does believe that a certain person by him therein named has been illegally or incorrectly registered, and giving the reasons for such belief, the registrars shall examine into such complaint and, if satisfied that there is sufficient ground therefor, they shall summon the person complained of to appear before them at a certain place and time before the next primary or election or town meeting to answer to the matters set forth in the complaint, and the substance of the complaint and a copy of this section and of section forty-nine shall be set forth in the summons. Service of the summons shall be made by an officer qualified to serve civil or criminal process, not more than fourteen nor less than two days before the day named for appearance, by delivering in hand a copy of the summons to the person therein named, or by leaving it at his place of residence, or, if personal service cannot be made and the person's residence is unknown to the

officer and cannot be ascertained by inquiry at the place of alleged illegal or incorrect residence or at any later residence of such person appearing on the register, then at such person's last residence, if any, known to the officer, or, if the person's last residence is unknown, at the last place appearing as his residence in the register. Section 49 EXAMINATION OF PERSONS SUMMONED; STATUS FOR
ANNUAL REGISTER; FAILURE TO APPEAR

Section 49. If a person summoned before the registrars to answer such complaint appears before them, they shall examine him on oath, and shall receive such other evidence which may be offered in regard to the matters set forth in the complaint and, if satisfied that he is properly registered as a qualified voter, they shall enter in the register a statement of their determination of the facts required for registration. If the registrars are satisfied that he is not a qualified voter, they shall strike his name from the register. If they are satisfied that, although he is a qualified voter in the city or town, he is illegally or incorrectly registered in a ward or voting precinct other than the ward or voting precinct in which he is required by section three to be registered, and have determined the ward or voting precinct in which he is so required to be registered, and his place of residence therein, they shall change his place of residence as given on the register accordingly. If a person duly summoned as aforesaid does not appear as directed in the summons and the complainant produces sufficient testimony to make out a prima facie case, the name of such person shall be struck from the register; but if such person appears

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma.gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

Town Clerk

TO: Subjects of October 17, 2023 Residency Challenges
FROM: Town Clerk Elisabeth Verde
CC: Board of Registrars of Voters
RE: Hearing Procedures
DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma-gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma-gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

CC: Board of Registrars of Voters

RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma-gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma-gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

CC: Board of Registrars of Voters

RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma.gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma.gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

Service of the summons shall be made by an officer qualified to serve civil or criminal process, not more than fourteen nor less than two days before the day named for appearance, by delivering in hand a copy of the summons to the person therein named, or by leaving it at his place of residence, or, if personal service cannot be made and the person's residence is unknown to the

Section 49. If a person summoned before the registrars to answer such complaint appears before them, they shall examine him on oath, and shall receive such other evidence which may be offered in regard to the matters set forth in the complaint and, if satisfied that he is properly registered as a qualified voter, they shall enter in the register a statement of their determination of the facts required for registration. FROM: Town Clerk Elisabeth Verde

CC: Board of Registrars of Voters

RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma-gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma-gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

Title VIII	ELECTIONS
Chapter 51	VOTERS
Section 48	COMPLAINT; TIME FOR FILING; SUMMONS AND SERVICE OF PROCESS

Section 48. Upon complaint signed and sworn to by a registered voter and filed with the registrars at least fourteen days in a city, or at least four days in a town, before a primary, election or town meeting, stating that the complainant has reason to believe and does believe that a certain person by him therein named has been illegally or incorrectly registered, and giving the reasons for such belief, the registrars shall examine into such complaint and, if satisfied that there is sufficient ground therefor, they shall summon the person complained of to appear before them at a certain place and time before the next primary or election or town meeting to answer to the matters set forth in the complaint, and the substance of the complaint and a copy of this section and of section forty-nine shall be set forth in the summons. Service of the summons shall be made by an officer qualified to serve civil or criminal process, not more than fourteen nor less than two days before the day named for appearance, by delivering in hand a copy of the summons to the person therein named, or by leaving it at his place of residence, or, if personal service cannot be made and the person's residence is unknown to the

officer and cannot be ascertained by inquiry at the place of alleged illegal or incorrect residence or at any later residence of such person appearing on the register, then at such person's last residence, if any, known to the officer, or, if the person's last residence is unknown, at the last place appearing as his residence in the register. The officer shall return the summons to the registrars before the day named for appearance with the certificate of his doings endorsed thereon.

Section 49 EXAMINATION OF PERSONS SUMMONED; STATUS FOR
ANNUAL REGISTER; FAILURE TO APPEAR

Section 49. If a person summoned before the registrars to answer such complaint appears before them, they shall examine him on oath, and shall receive such other evidence which may be offered in regard to the matters set forth in the complaint and, if satisfied that he is properly registered as a qualified voter, they shall enter in the register a statement of their determination of the facts required for registration. If the registrars are satisfied that he is not a qualified voter, they shall strike his name from the register. If they are satisfied that, although he is a qualified voter in the city or town, he is illegally or incorrectly registered in a ward or voting precinct other than the ward or voting precinct in which he is required by section three to be registered, and have determined the ward or voting precinct in which he is so required to be registered, and his place of residence therein, they shall change his place of residence as given on the register accordingly. If a person duly summoned as aforesaid does not appear as directed in the summons and the complainant produces sufficient testimony to make out a prima facie case, the name of such person shall be struck from the register; but if such person appears

before the registrars before the election or town meeting following and shows sufficient cause for his failure earlier to appear, the hearing shall be reopened and the matter decided on its merits, as determined from the evidence presented on both sides. The complainant and the person complained of may be represented by counsel, and all witnesses may be cross-examined.

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma-gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma-gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

Section 49. RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma-gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma-gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

TO: Subjects of October 17, 2023 Residency Challenges
FROM: Town Clerk Elisabeth Verde
CC: Board of Registrars of Voters
RE: Hearing Procedures
DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma.gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma.gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

TO: Subjects of October 17, 2023 Residency Challenges

CC: Board of Registrars of Voters

RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma-gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma-gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

Town Clerk

TO: Subjects of October 17, 2023 Residency Challenges

FROM: Town Clerk Elisabeth Verde

CC: Board of Registrars of Voters

RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma.gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma.gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

Chapter 51 VOTERS

Section 48 COMPLAINT; TIME FOR FILING; SUMMONS AND SERVICE OF
PROCESS

Section 48. Upon complaint signed and sworn to by a registered voter and filed with the registrars at least fourteen days in a city, or at least four days in a town, before a primary, election or town meeting, stating that the complainant has reason to believe and does believe that a certain person by him therein named has been illegally or incorrectly registered, and giving the reasons for such belief, the registrars shall examine into such complaint and, if satisfied that there is sufficient ground therefor, they shall summon the person complained of to appear before them at a certain place and time before the next primary or election or town meeting to answer to the matters set forth in the complaint, and the substance of the complaint and a copy of this section and of section forty-nine shall be set forth in the summons. Service of the summons shall be made by an officer qualified to serve civil or criminal process, not more than fourteen nor less than two days before the day named for appearance, by delivering in hand a copy of the summons to the person therein named, or by leaving it at his place of residence, or, if personal service cannot be made and the person's residence is unknown to the

officer and cannot be ascertained by inquiry at the place of alleged illegal or incorrect residence or at any later residence of such person appearing on the register, then at such person's last residence, if any, known to the officer, or, if the person's last residence is unknown, at the last place appearing as his residence in the register. The officer shall return the summons to the registrars before the day named for appearance with the certificate of his doings endorsed thereon.

Part I	ADMINISTRATION OF THE GOVERNMENT
Title VIII	ELECTIONS
Chapter 51	VOTERS
Section 49	EXAMINATION OF PERSONS SUMMONED; STATUS FOR ANNUAL REGISTER; FAILURE TO APPEAR

Section 49. If a person summoned before the registrars to answer such complaint appears before them, they shall examine him on oath, and shall receive such other evidence which may be offered in regard to the matters set forth in the complaint and, if satisfied that he is properly registered as a qualified voter, they shall enter in the register a statement of their determination of the facts required for registration. If the registrars are satisfied that he is not a qualified voter, they shall strike his name from the register. If they are satisfied that, although he is a qualified voter in the city or town, he is illegally or incorrectly registered in a ward or voting precinct other than the ward or voting precinct in which he is required by section three to be registered, and have determined the ward or voting precinct in which he is so required to be registered, and his place of residence therein, they shall change his place of residence as given on the register accordingly. If a person duly summoned as aforesaid does not appear as directed in the summons and the complainant produces sufficient testimony to make out a prima facie case, the name of such person shall be struck from the register; but if such person appears

before the registrars before the election or town meeting following and shows sufficient cause for his failure earlier to appear, the hearing shall be reopened and the matter decided on its merits, as determined from the evidence presented on both sides. The complainant and the person complained of may be represented by counsel, and all witnesses may be cross-examined.

RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma-gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma-gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

Section 48 COMPLAINT; TIME FOR FILING; SUMMONS AND SERVICE OF
PROCESS

Section 48. Upon complaint signed and sworn to by a registered voter and filed with the registrars at least fourteen days in a city, or at least four days in a town, before a primary, election or town meeting, stating that the complainant has reason to believe and does believe that a certain person by him therein named has been illegally or incorrectly registered, and giving the reasons for such belief, the registrars shall examine into such complaint and, if satisfied that there is sufficient ground therefor, they shall summon the person complained of to appear before them at a certain place and time before the next primary or election or town meeting to answer to the matters set forth in the complaint, and the substance of the complaint and a copy of this section and of section forty-nine shall be set forth in the summons. Service of the summons shall be made by an officer qualified to serve civil or criminal process, not more than fourteen nor less than two days before the day named for appearance, by delivering in hand a copy of the summons to the person therein named, or by leaving it at his place of residence, or, if personal service cannot be made and the person's residence is unknown to the

officer and cannot be ascertained by inquiry at the place of alleged illegal or incorrect residence or at any later residence of such person appearing on the register, then at such person's last residence, if any, known to the officer, or, if the person's last residence is unknown, at the last place appearing as his residence in the register. The officer shall return the summons to the registrars before the day named for appearance with the certificate of his doings endorsed thereon.

Section 49 EXAMINATION OF PERSONS SUMMONED; STATUS FOR
ANNUAL REGISTER; FAILURE TO APPEAR

Section 49. If a person summoned before the registrars to answer such complaint appears before them, they shall examine him on oath, and shall receive such other evidence which may be offered in regard to the matters set forth in the complaint and, if satisfied that he is properly registered as a qualified voter, they shall enter in the register a statement of their determination of the facts required for registration. If the registrars are satisfied that he is not a qualified voter, they shall strike his name from the register. If they are satisfied that, although he is a qualified voter in the city or town, he is illegally or incorrectly registered in a ward or voting precinct other than the ward or voting precinct in which he is required by section three to be registered, and have determined the ward or voting precinct in which he is so required to be registered, and his place of residence therein, they shall change his place of residence as given on the register accordingly. If a person duly summoned as aforesaid does not appear as directed in the summons and the complainant produces sufficient testimony to make out a prima facie case, the name of such person shall be struck from the register; but if such person appears

before the registrars before the election or town meeting following and shows sufficient cause for his failure earlier to appear, the hearing shall be reopened and the matter decided on its merits, as determined from the evidence presented on both sides. The complainant and the person complained of may be represented by counsel, and all witnesses may be cross-examined.

RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma.gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma.gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

CC: Board of Registrars of Voters

RE: Hearing Procedures

DATE: October 30, 2023

This is to further explain the process the Board of Registrars will be using to hold hearings on the 66 voter registration challenges it received more than four days prior to the October 21, 2023 Town Meeting. The Board is not able at this time to predict with accuracy which night it will hear which challenges but will hold hearings in the order in which such challenges were received. Your summons identifies the number of the challenge brought with regard to your voter registration. For your convenience, each evening, the Board will post on the Town website at www.truro.ma.gov the challenges it has completed. If we are unable to complete the hearing process the week of November 6, 2023, we anticipate that we will continue to hear challenges the week of November 13, 2023.

The process for each hearing is as follows. You and the person and the person filing the residency complaint (the Objector) have the right to be represented by counsel. You will initially be sworn. The Objector will first be given the opportunity to ask you questions or for documents. Once the Objector is finished, you will have the opportunity to provide testimony and documentation of your choice to support your status as a registered voter in the Town of Truro. If the Objector calls witnesses, you will have the opportunity to ask the witnesses questions, and the Objector will also be able to ask questions of your witnesses. The Board of Registrars also reserves the right, at its discretion, to ask questions.

Once all testimony and documentation have been provided, the Board of Registrars will consider the facts submitted to determine whether you are a resident for voting purposes. It is anticipated that a decision will issue contemporaneously.

Additional information about residency for voting purposes is available on the Town Clerk's webpage at www.truro.ma.gov. If, in the meantime, you decide it is appropriate to remove your name from the voter list, either by re-registering in another town or by notifying me directly in writing, we will not proceed with a hearing and you will not need to appear before the Board of Registrars.

Service of the summons shall be made by an officer qualified to serve civil or criminal process, not more than fourteen nor less than two days before the day named for appearance, by delivering in hand a copy of the summons to the person therein named, or by leaving it at his place of residence, or, if personal service cannot be made and the person's residence is unknown to the
